Dear Friend of Perry Hall High School,

We would like to invite you to be a game-changer for student-athletes by joining our **100 for \$100 Campaign!**

As you may have heard, we expect to break ground this summer on a new turf field in Al Miller Stadium at Perry Hall High School. **We are just \$10,000 away from making this happen.** If all goes well, our student-athletes will be playing the Gator Way on a new turf field in August! We are delighted that Perry Hall High, the largest school in the county, may finally have a stadium facility that values the safety and development of its students, and exemplifies Gator pride.

The Perry Hall High School Athletic Booster Club, Councilman David Marks and community volunteers formed a work group to raise money to partially fund the addition of a new turf field in the stadium. Through the state, with leadership from Senator Kathy Klausmeier and Delegate Christian Miele, and the county, thanks to County Executive Kevin Kamenetz, Councilman David Marks and Councilwoman Cathy Bevins, just over \$700,000 has been budgeted to the PHHS turf project with the agreement that our school community will contribute \$100,000.

Thanks to generous leadership gifts from all three local recreation councils - Perry Hall, White Marsh and Kingsville – and Perry Hall-White Marsh Soccer, as well as donations from families and businesses in our area, we have raised \$90,000!

Will you consider helping us raise the last \$10,000 by joining the 100 for \$100 Campaign? Any support you can provide is greatly appreciated! Please visit www.phhsboosterclub.org to make your tax-deductible donation today. A confirmation of your charitable contribution can be provided upon request.

The Perry Hall High School Athletic Booster Club is a registered 501(c)3 non-profit organization; our Maryland tax exempt number is 52-1250968. Please visit our website for more information at www.phhsboosterclub.org.
